

HOLY MAMA

## FINCA HOLYMAMA SERENITY

This spacious villa of 250m<sup>2</sup> is located on a plot of 1,000m<sup>2</sup>, just 2.5km from Santa Gertrudis. It is set in a serene, pristine natural environment with fruit trees and pines. The house was built in 2009 in the Balearic style with exposed stone on the outside and Sabina beams and ceilings on the inside. The house feels very cosy and nurturing with ample outside space. This location is ideal for mums wanting a bit more comfort with ensuite bathrooms and extra privacy and calm.

HOLY MAMA

The villa has a terrace with views towards the lawn, pool and forest. The living room has a fireplace, small satellite TV and there is also a dining room.

The kitchen is compact but well equipped with a ceiling fan and electric appliances. Main meals will be served at Haven but you have the option to take back dinner and it is more spacious and practical for you to have breakfast at your own villa before coming over to Haven. We will stock the kitchen for this.

## LOCATION ON THE ISLAND

HOLY MAMA

To get from HolyMama Serenity to the Retreat base at HolyMama Haven it is a very easy 11 -14 minute drive, either via the country route past other fincas, or per the main road and Santa Gertrudis where you can find shops, restaurants and a children's playground.

In just 10 minutes you can get to Ibiza Town and the World Heritage Site Dalt Vila. It takes 15 minutes to get to the beautiful seaside town of Santa Eulalia.

Beaches are about a 15 to 20 minute drive to the North or about 25 minutes to the sandy eastern beaches. The long, sandy southern beaches are about 20 minutes away. As is Ibiza airport. The great thing is you are in the middle of the countryside with easy access to all amenities, towns and the seaside.
